

What is a School-Parent Compact?

A **School Parent Compact** for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan.
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction.
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress.
- Describe opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

The parents, students, and staff at Lyman Hall Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

Parents are welcomed to contribute comments at any time.

If you would like to volunteer, participate and/or observe in the classroom, please contact: Jairy Galvan at jairy.galvan@hallco.org or 770-534-7044. Ext.13 or go to our school website, <https://lhes.hallco.org>

Building Partnerships

- ⇒ Please join us via zoom for an evening of fun and learning in our parent workshops at 6:00pm. Teachers will explain and teach you how to help your child academically at home.
- ⇒ Throughout the year we will have several opportunities for parents to meet with their student's teacher via Zoom or by phone.

Communication about Student Learning

Lyman Hall Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

1. Weekly folders
2. Updates on the school website
3. Social media: Facebook, Twitter & Instagram
4. Parent-Teacher Conferences (via zoom or by phone)
5. Flyers
6. Email
7. Remind App
8. Monthly school newsletter

⇒ **Do you have any questions about your child's progress?**

Contact your child's teacher by sending an email, a message through remind or call the school at **770-534-7044**.

School Parent Compact for Achievement 2021-2022

Revised September 22, 2021

Our Goals for Student Achievement 2020-2021

District Goals:

- By the end of SY2022, the percentage of students in each subgroup scoring in the "Proficient" and "Distinguished" levels of performance on the Georgia Milestone Assessments will increase by 2%.
- By the end of SY23, the percentage of students in each subgroup meeting "Proficient" levels of performance on local assessments will increase by 2%
- Increase the percentage of referred students who access school-based mental health services by 2% each year (with SY21 being the baseline year).

School Goals:

- **ELA:** 85% of students will demonstrate 1 year or more growth as measured by Fountas and Pinell reading benchmark (gr k-5). The overall weighted proficiency in ELA for Lyman Hall will increase by 5% (gr 3-5).
- **Reading:** 60% of our students will be reading on or above grade level expectations as measured by Fountas and Pinell benchmark assessment (gr k-5) and overall weighted proficiency in reading as indicated by the EOG Lexile reading status (gr 3-5).
- **Math:** the overall weighted proficiency in Mathematics for Lyman Hall will rise 5%. 90% of students will demonstrate one or more stages of growth as measured through GLOSS.

Teachers, Parents, and Students - Together for Success!

School/Teacher Responsibilities:

Lyman Hall teachers will work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

- Offer free parent and family workshops in math, literacy, canvas and Launch Point for grades K-5 in the evening via zoom.
- Our monthly newsletter will feature strategies and games that can be used to help improve literacy and math skills.
- Our school webpage and social media pages will have family friendly websites to improve literacy and math skills.
- Teachers will use Remind to communicate with parents and share reminders and notices.

Family Responsibilities:

Lyman Hall parents joined staff to develop ideas about how families can support students' success in reading and math. Families may have other ideas to add to this list:

- Try to attend literacy and math evening virtual workshops or get information from my child's teacher if we cannot attend.
- Look for the class newsletter each month, check out the school website and implement strategies and games suggested.
- Play words games with the new vocabulary words and use math in everyday family activities and conversation.
- Parents will use Remind to receive reminders and any communication from the teachers.

Student Responsibilities

Lyman Hall students thought of the following ideas to make connections between learning at home and school:

- Talk to my family about new vocabulary words and what I am learning in math.
- Bring home our class newsletter and notices about workshops.
- Use the games and ideas sent home on the newsletter.
- Get on the computer and use the online resources at least three times a week.
