

## WHAT IS A SCHOOL-PARENT COMPACT?

A School Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

### Effective Compacts:

- Link to goals of the school improvement plan.
- Focus on student learning skills.
- Describe how teachers will help students develop those skills using high-quality instruction.
- Share strategies parents can use at home.
- Explain how teachers and parents will communicate about student progress.
- Describe opportunities for parents to volunteer, observe, and participate in the classroom.

## JOINTLY DEVELOPED

The parents, students, and staff at Lyman Hall Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

**Parents are welcomed to contribute comments at any time**

If you would like to volunteer, participate and/ or observe in the classroom, please contact:

Jairy Galvan, [jairy.galvan@hallco.org](mailto:jairy.galvan@hallco.org) or 770- 534-7044. Ext.13 or go to our school website, <https://lhes.hallco.org>

## BUILDING PARTNERSHIPS

Please join us every month for an evening of fun and learning in our parent workshops at 6:00pm. Teachers will explain and teach you how to help your child academically at home.

Throughout the year we will have opportunities for parents to meet with their student's teacher, starting with Open House. The Parent Resource Center also offers information for families.

## COMMUNICATION ABOUT STUDENT LEARNING

Lyman Hall Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

- Weekly folders
- Updates on the school website
- Social media: Facebook, Twitter & Instagram
- Parent-teacher conferences
- Flyers
- Email
- Remind

**Do you have any questions about your child's progress?**

Contact your child's teacher by sending an email, a message through remind or call the school at 770-534-7044.

## SCHOOL PARENT COMPACT FOR ACHIEVEMENT

2022-2023

## OUR GOALS FOR STUDENT ACHIEVEMENT 2022-2023

### District goals

**Goal 1:** By the end of FY23, the percentage of students in each subgroup moving into the “Proficient” and “Distinguished” levels of performance on the Georgia Milestones Assessments will increase by 2% in the “Proficient” and “Distinguished” levels of performance.

**Goal 2:** Increase the percentage of referred students who access school-based mental health services by 2% each year (with FY21 being the baseline year) to decrease the number of OSS days in grades 6-12.

### School goals

**Goal 1:** Lyman Hall will increase the combined percentage of students in “Proficient” and “Distinguished” levels of performance on the Georgia Milestones Assessments by 2%.

**Goal 2:** Lyman Hall will increase the percentage of students who have a trusted adult by 5.3% (89.7 to 95%) based on students' SEL surveys.

## TEACHERS, PARENTS, AND STUDENTS - TOGETHER FOR SUCCESS!

### School/Teacher Responsibilities:

Lyman Hall teachers will work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

- Offer free parent and family workshops in math, literacy, canvas and Launch Point for grades K-5 in the evening.
- Links, videos, and information with strategies and games that can be used to help improve literacy and math skills will be sent via Remind.
- Teachers will use Remind to communicate with parents and share valuable educational resources.
- Post a link to the District Parent Resource Catalog, Big Ideas on the school website that offers tips and resources for parents to support their child with math and reading skills

### Student Responsibilities

Lyman Hall students thought of the following ideas to make connections between learning at home and school:

- Talk to my family about new vocabulary words and what I am learning in math.
- Bring home our class flyers/documents and notices about workshops.
- Use the games and ideas sent home shared via Remind.
- Get on the computer and use the online resources at least three times a week.
- Use the District Parent Resource Catalog website to practice and reinforce the skills needed to master the reading and math standards learned in school

### Family Responsibilities:

Lyman Hall parents joined staff to develop ideas about how families can support students' success in reading and math. Families may have other ideas to add to this list:

- Try to attend literacy and math evening parent workshops or get information from their child's teacher if unable to attend.
- Play words games with the new vocabulary words and use math in everyday family activities and conversation.
- Parents will use Remind to receive valuable information and any communication from the teachers
- Visit the Hall County's Big Ideas website utilizing parent resources (accessible in English and Spanish) that include instructional videos and questions to ask my child in an effort to check reading and math fluency
